CLCON NO. 164 OF 2003

Hon'ble Irshad Hussain, J.

Heard. Perused the copy of the order passed by the Division Bench in the writ petition. The opportunity to the petitioners was only given to approach the Commissoner for the redressal of the grievance raised in the writ petition. The writ petition is still pending for disposal on merit. The respondents will put forward their contention in the writ petition and considering the tone and tenor of the order it does not appear that any willful disobedience has been made by the respondents in not communicating any decision on the representation.

Considering this it does not appear to be a case of contempt of order of the court. The petition is dismissed in limine.
